CERTIFICATE OF CORRECTION UNDER
RULES 322 AND 323 AND REQUEST FOR
REPRINTED COVER PAGE OF LETTERS PATENT

Sir:

It is respectfully requested that a Certificate of Correction be issued by the Patent and Trademark Office due to errors which appear in the printed patent as a result of Patent and Trademark Office mistakes, and mistakes of a clerical, typographical, or minor character, which were not the fault of the Patent and Trademark Office. A Certificate of Correction form is enclosed.

The enclosed Certificate of Correction notes errors on the cover page of the patent. Patentees note that there are five inventors of record as shown in the Declaration filed on October 22, 2001. Since this and the other errors are a result of the Patent and Trademark Office mistake, it is respectfully requested that the cover page be reprinted to correct such errors.

A depository payment for \$100.00 to cover the statutory fee for such Certificate of Correction has been made concurrently herewith. The Commissioner is authorized to charge any additional fee, or credit any overpayment, to Deposit Account 50-3939.

Patentees' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address given below.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read 'Jonathan Berschadsky', is written over a horizontal line.
